

**American  
Red Cross**

Mar-15-2011

Dear All:

As most of you already heard that a massive 8.9/9.0 magnitude earthquake and tsunami has hit Japan on last Friday (March 11<sup>th</sup>, 2011), many people in Japan has been affected by this devastating disaster and damage. Thousands of people are dead and many more are still missing or injured.

Silicon Valley University (SVU) and International Students Association have established a donation fund to distribute donations to American Red Cross in which can operate providing relief services and emergency assistance to victims of disaster.

A donation box will be set up and will be placed in student office, so if you want to make your donation, please come to student office. All donations will send to American Red Cross, so that the victims of the earthquake and tsunami in Japan will be assisted by your donations.

Thank you.

Silicon Valley University  
Student Office and International Students Association
