

Dear Students:

As final week of the trimester is approaching and many of the students are preparing for the final exam, we want to remind you to bring your student ID card when you go to the final exam.

Please note that bringing the student ID card to the final exam is mandatory and any other identification cards would not be accepted for taking the final exam.

If you lost your student ID card and need a replacement, please fill out a form on the official website under **DOCUMENTATION** and pay \$25 for the replacement.

Thank you.
