

Dear Students:

It is a notification that the second TOEFL Exam of summer trimester of 2011 is scheduled on **July 29th, 2011 (Friday)** at **9:00 a.m.**

When students apply for admission, it is required to submit an official TOEFL or IELTS score in order to reach the requirement of English proficiency. If students have not provided the official score record of TOEFL or IELTS exam, they might need to take this TOEFL Exam.

If students do not reach the requirement of English proficiency, students would be considered as “not complete” the coursework in the degree program and students would not be issued a diploma after graduation.

If students need to take this TOEFL exam, please pay \$50 to register the exam at student office by July 28th, 2011 (Thursday).

Thank you.
